A Strategic Convening Event – Improving the Future State - 8 Akron Neighborhoods

What if we Keep Equity at the Start of all Thoughts and Decisions?

Everyone gets the resources and supports they need that create the opportunity for upward economic mobility, optimal health and quality of life.

Agenda/Objectives of the Day

- Past and current state of Akron neighborhoods
- Future state of Akron neighborhoods
- Identify/align services and resources by neighborhood by HUB Pathways; eventual gap analysis
- Prioritize future state recommendations by high impact, feasibility and available funding/resources
- Establish stewardship to advance future state planning and actions
